

Autumn Programme 2024

Monday 9th September – Friday 13th December 2024

(Half Term: 28th October - 1st November 2024)

Open Age Programme

Welcome to the new programme! You will find enclosed the relevant contact details for all activities at our centres, community venues and online.

All classes taking place in New Horizons, St Margaret's, Avenues and Second Half Centre can be booked 7 days in advance. To book an activity or for more information, please call the number provided under 'Booking Details'.

Please ensure you speak to a member of the team, as booking requests left on voicemails cannot be accepted.

Clinical exercise classes, (Steady & Stable, Osteo Blast and Healthy Lungs) require advanced booking.

Important notice regarding the cost of activities

For activities running in centres and community venues, we ask that members continue to contribute to Open Age £1 per hour, unless otherwise stated.

Online Classes

From this term Open Age will be taking payments for all online classes. If you have not yet "topped up" your online account, either do so via our website (logging into your membership), or by popping into your nearest Open Age centre, where the team will be able to assist you.

Adult Community Learning (ACL)

Classes annotated with '**ACL**' next to them means that they are Adult Community Learning courses. ACL offer a number of courses. They need to be booked in advance and require a commitment which ranges between 5 and 10 weeks depending on the course. These classes are different from the standard Open Age drop-in classes. You must be able to complete an enrolment form and provide evidence of ID, i.e. Passport or Driving Licence number, as well as your National Insurance number.

ACL Costs

Our ACL courses are at a slightly different cost to all the other Open Age classes as we are funded by the government via the Royal Borough of Kensington and Chelsea. Our fees are **£3 per session**. However, the course may be free if you meet the eligibility criteria.

Open Age is a Charity!

(Charity number: 1160125)

The activities, trips, groups, courses and community outreach work offered by Open Age, would not be possible without the funding and resources we receive from grant-makers and commissioners, and our partners and supporters.

This term Open Age's group activity programme and community outreach work continue to run due to the generous support of the following organisations:
